

Working together to help Romania's horses

Your help is needed to safeguard the future of Romania's horses.

- Join the stakeholder group for developing a ten year horse welfare strategy
- Funding or accessing funds to support welfare strategy
- Provide expertise (eg. Veterinary, farriery, education, Government)
- Influence policy and enforcement
- Initiate horse welfare groups
- Disseminate information and raise the profile of horse welfare in Romania
- Become involved with Continued Professional Development and education
- Assist in the development of a Romanian Equine Veterinary Association

Pledge your support or find out further information by contacting campaigns@worldhorsewelfare.org
